**Subject: Job opportunities for Agri and Allied Science Graduates!**

Dear Sir/Madam,

*Greetings from agripositions.com!!*

As you are aware that our organisation **Agripositions.com** is one of the India's leading HR solution provider brands in food and agriculture sector, formerly known as **agrijobs.in** under the company **Concept Agrotech Consultants Ltd.** Established in 1994, CACL has been pioneer in serving food and agriculture sector. Over the years, we have established ourselves as the most reliable source of career opportunities in food and agriculture sector while providing comprehensive HR solutions through a single window across various domains to enhance the success of clients in agribusiness sector.

We are acting as a bridge in between to connect the potential students to the industry to cater the rising demand of skilled manpower in the sector. We have tie ups with almost all the major and leading corporates, working in agriculture and allied sector, like **UPL, Nagarjuna Agri Chemicals, Mahindra, Dhanuka, DUPONT, Ayurvvet** etc. Currently we are lineup with **1000+ vacancies** in dairy technology, poultry, horticulture and farm management, irrigation and farm machinery management, food processing industry, fisheries and aquaculture, agri input management etc. and to meet out the current and rising demand of the industries, we are looking for fresh graduates and post graduates who are passionate to work in the thriving environment. The interviews will be planned in two slots i.e. in last week of April and in first week of June in various cities like New Delhi, Hyderabad, Bangalore, Chennai, Pune, Mumbai, and Jaipur.

In context of the above, kindly suggest your final year students, who are looking for opportunities in Food and Agriculture Sector, to upload resume at the portal [www.agripositions.com](http://www.agripositions.com) or alternatively share resume at [sakshi.sharma@agripositions.com](mailto:sakshi.sharma@agripositions.com). Or else you can also submit the compiled CVs of all final year students who wish to participate in screening and interview process of the same. We will get them through screening and sorting process and connect them with potential employers.

Please find poster enclosed and we request you to display it on notice board, hostel or T & P department. For any further details and clarifications if any, do write us at [sakshi.sharma@agripositions.com](mailto:sakshi.sharma@agripositions.com).

Awaiting your response for the same.

With best regards,

**Arti Khare**
