Instances have come to notice that some of the functionaries have confusion with regards to giving work experience marks to the candidates. In order to ensure uniformity for determining the merit of the candidates in University, the Vice-Chancellor, CSKHPKV, Palampur has approved as under:

*"one mark is to be given to the candidates for six months work experience, which means that the total experience of the candidate of relevant experience (by adding different spells) is to be taken into account and then one mark for every six months is to be awarded".*
