Kind Attn: Dr. N.C.Patel, Vice - Chancellor, Anand Agricultural University and President, IAUA

Respected Sir,

We write with reference to 7th IAUA Regional Meeting of Vice Chancellors held in Kanpur at Chandra Shekhar Azad University of Agriculture and Technology in Kanpur on 29th August 2018.

At the outset, we would like to thank you for your whole-hearted support for the conference.

Our company, Trio-Chem Sucrotech Engineering and Projects Private Limited, based in Pune, is in the field of Environment and Green Technologies for last two decades and more and we have executed turnkey projects in India and across the world for pollution control.

Our Managing Director Mr Nitin S Deshpande was felicitated by Hon. Governor of Uttar Pradesh Shri Ram Naik ji with **Award of Excellence** for his contribution to **Sustainable Agriculture through Bio-composting** in the above conference.

Please refer to the discussions our Managing Director Mr Nitin S Deshpande had with you regarding **Green Campus Initiatives** in agricultural universities across India.

As a part of **Green Campus Initiatives** in agricultural universities across India, we would like to propose the following:

- 1) Biogas/BioCNG plant using Food Waste/Organic Waste/Sewage at girls and boys hostel/canteen/mess
- 2) Rain Water Harvesting
- 3) Grey Water Treatment and Recycling (for Flushing) at Girls and Boys hostel building
- 4) Solar Power Plant for Green Energy
- 5) Electric Vehicles (Bus/Car within the campus)
- 6) Green Stove (using Green Coal/Briquettes/Pellets) for canteen/mess within the university campus
- 7) E-Waste/Plastic Waste collection centre
- 8) Sanitary pads disposal machine for girls hostel
- 9) Goshala modernization
- 10) Separate Dust bins for collection of dry, wet and domestic hazardous waste across the university campus
- 11) Plastic Bottle collection and disposal machines
- 12) Awareness programme through banners/leaflets/flyers at regular intervals for teaching and non-teaching staff and students

These projects are in tune with Hon. Prime Minister of India Shri Narendra Modi ji's ambitious "Swachh Bharat Abhiyaan" initiative.

We are also contact corporate for funding these projects through CSR funds.

Trio-Chem would like to be associated with the agricultural universities and implement the **Green Campus Initiative** projects as your trusted partner.

We look forward to receiving your favourable reply on the above.

Please do not hesitate to contact the following persons for any clarifications:

- 1) Mr Nitin S Deshpande (+91 9011014004, Email: [nitin@triochem.in](mailto:nitin@triochem.in))
- 2) Mr Vinayak S Anawalikar (+91 9011063856, Email: [vinayak@triochem.in](mailto:vinayak@triochem.in))

Regards

Vinayak S Anawalikar
