

Proceedings of the meeting held under the Chairmanship of the Vice-Chancellor, CSK HPKV, Palampur on 20.3.2019 to revisit the mechanism in place regarding municipal waste disposal in the University premises.

Following were present in the meeting:

1. Sh. Satish Kumar, HAS, Registrar
2. Dr. P.K. Mehta, Dean, COA
3. Dr. R.K. Agnihotri, Dean, PGS
4. Dr. Mandeep Sharma, Dean, COVAS
5. Dr. Promila Kanwar, Dean, COHS/COBS
6. Dr. Ashwani Basandri, Librarian
7. Dr. Y.P. Thakur, Director Ext. Education
8. Dr. D.K. Vatsa, Director of Research
9. Sh. Gurmeet Singh, Comptroller
10. Er. A.K. Chadha, Estate Officer

At the outset the Hon'ble Vice-Chancellor welcomed the members, told them the importance of waste management in the University premises. Thereafter, the present statutory Officers were asked to explain measures undertaken by them to dispose of the waste occurring in the premises in the University under their jurisdiction.

- The Dean, Dr. G C Negi, COVAS apprised the participants that they have an agreement with M/S Suraksha Bio-Sanitizer, Kangra at Dharamshala and all the bio medical waste is being handed over to them for its scientific disposal. Same arrangement is there in University health centre.
- The Students Welfare Officer apprised the participants that incinerators have already been installed in the hostels for the disposal of sanitary pads.
- The Deans, Agriculture College, Home Science College, Basic Science College and Veterinary College stated that they are disposing of the non - biodegradable waste in the pits whereas biodegradable waste is dumped separately.
- The Student's Welfare Officer apprised that Kitchen waste of Hostels is given to outsiders for feeding the pigs etc.

After detailed deliberations, the following decisions were taken:-

- i) The Estate Officer Er. A.K. Chadha was asked to get all the waste removed disposed of accumulated in the University premises near Seed Science & Technology Department in a scientific manner within seven days i.e. before 27.03.2019 . If need be, help of outside agencies, who are expert in this may be taken. As this waste has been dumped by outside agency, matter may be taken up with SDM, Palampur and Pollution Control Board, Dharamshala for the reimbursement of the expenses so incurred, from the agency who has dumped this waste near the University.
- ii) The Estate Officer would ensure installation of bins for the disposal of Non degradable waste at the appropriate places in whole of the University and would

make arrangement for its scientific disposal. If need be agreement may be made with the agency involved in this field. This arrangement be completed within seven days i.e. before 27.03.2019.

- iii) For the disposal of degradable waste, pits may be dug within the University premises. The degradable waste may be converted into compost by involving the concerned deptts. and Compost so generated be utilized as manure.

Sufficient bins and pits be made, so that no waste is thrown here and there in the University.

All the inmates be directed to put the Non degradable waste in the bins and degradable waste in the nearby pits. The inmates will bear the expenses involved in the disposal of waste as agreed upon subsequently. Again this be completed within seven days i.e. 27.03.2019 by Estate Officer.

- (iv) The Deans would ensure installation of incinerators for the disposal of sanitary pads in their respective Colleges.

In addition, the Estate Officer would install incinerators, one near Library and the other near Kailash Bhawan and one each in housing colonies in the University.

This may again be ensured within seven days i.e. 27.03.2019.

- (v) Effective surveillance be maintained in and around University premises, so that no outside person throws waste in and around University premises. If any one is found doing so, complaint may be lodged with SDM Palampur and Pollution Control Board, Dharamshala.

The meeting ended with vote of thanks to the chair.
