Dated the 31st July, 2019

Dear Colleague,

This year on 2nd October 2019, we are going to celebrate 150th birth anniversary of our "Father of Nation", Mahatma Gandhi. This auspicious day has special significance for the whole nation and, therefore, this day be celebrated in a befitting way by all the institutions of National Agricultural Research System.

ICAR institutions and SAU's may organize various activities like debates, essay writing, quiz competition, painting competition, lectures and small stage performances related to Mahatma Gandhi's life. Institutes and SAUs may choose topics on Gandhiji in relation to agriculture and allied sectors. The activities may be planned during the week preceding 2nd October 2019. Students including those from nearby schools, staff of institutes and invited guests may participate in these activities and they can be acknowledged and appreciated by distributing certificates during the main celebration on 2nd October by each institute and SAU. Photographs and audio-video clips of activities executed to celebrate this occasion may be shared with ADG (Coordination), ICAR.

I am sure, we together will make this proposed programme a grand success.

With regards,

Yours sincerely,
