It has been observed that anonymous complaints against the University teachers/employees/ other functionaries are usually received through the Govt. of HP. This malpractice adopted by some vested interests not only wastes the valuable time and energy of the University functionaries but also have an adverse effect on the functioning of the Institution.

In order to curve this tendency and to maintain conducive working environment in the University, the Vice-Chancellor, CSKHPKV has ordered to keep watch on individuals within the system to avoid filing of anonymous false complaints without basis leading to unnecessary harassment to upright honest and hard working teachers/non-teachers.

All the Statutory Officers/Heads of Departments/Offices/Units are requested to kindly bring it to the notice of all the employees working under their control and ensure that such practice of filing anonymous complaints against various functionaries is checked to maintain congenial working atmosphere in the University.
