Dear Sir,

Hope you are doing well.

Please find attached proforma for establishment of Atal Community Innovation Centres (ACIC) under Atal Innovation Mission, NITI Aayog.

The objective of the ACIC program is to offer unique and incentivized solutions, which will encourage students, researchers or any individual/group of individuals to ideate and design novel solutions. In order to meet this purpose, the program offers enabling freedom to innovate the solutions under the program. The program would deliver the objectives to ensure:

- Nurture innovators to ideate in areas of societal importance
- Design thinking process to spur creativity
- Opportunity for everyone to innovate, ideate and design solutions, irrespective of their age
- Community oriented approach enabling innovative solutions through advanced tinkering
- Capacity building of emerging innovators in evolving technologies and designing their innovations from ideation to impactful solutions
- Partnerships with local industries / institutions in problem solving through innovative offerings in terms of products, services and processes
- Public Private Partnership (PPP) to enable support for financial sustainability and encourage participation of central agencies, PSUs, other legal entities etc. to mobilize resources for running the program

In order to provide an environment conducive to support innovators across unserved/underserved regions in an equitable manner, the desired applicant for establishment of ACICs would be from the following focusing area:

- Tier-2, Tier-3 cities, Tribal areas, Rural areas
- Aspirational districts, North East (NE) region and cities of Jammu & Kashmir (J&K),
- Smart Cities identified by Government of India
- Unserved/underserved areas of Tier-1 / Metro cities

Atal Innovation Mission under its ACIC program will consider applications for the **grant in-aid support up to Rs. 2.5 Crore in multiple tranches over a maximum period of 5 years**. The said support would cover capital and operational expenditure of the proposed ACIC up to 50% of the total project cost. The remaining contribution has to be arranged/assured by applicant.

The applicant will have to provide at least **4000 sq. ft. of ready-to-use, net carpet area for the exclusive use of the ACIC**.

Suggested scope of areas/sectors for establishing Atal Community Innovation Centres are:

- Agriculture and Allied Fields
- Bio Technology
- Building Materials/Construction Technology
- Electricity, New and Renewable Energy and Environmental sustainability
- Education
- Health and Pharmaceuticals
- Information & Communication Technology (ICT)
- Sensor Technology
- Manufacturing and Engineering
- Micro and nano electronics
- New Materials including Nano Materials
- Water, Sanitation and Solid-Liquid Waste Management
- Housing – Urban and Rural
- Transport
- Telecommunication
- Cyber Security
- Drone Technology
- Other emerging areas or of social / national importance

We can help in the application process.

Request you for telecon.

Warm Regards,

Ranen
