Dear Sir / Madam,

Indian Institute of Remote Sensing (IIRS) under Indian Space Research Organisation (ISRO), Department of Space (DoS), Govt. of India is a premier Training and Educational Institute set up for training professionals in the field of Remote Sensing, Geoinformatics and Global Positioning System Technology for Natural Resource Management.

The Institute conducts regular National Natural Resources Management System (NNRMS) Certificate course of 8 weeks duration for faculty members of Universities/Colleges and Regular and Permanent Scientists/ Engineers/ Officers nominated by Central/ State Govt. Institutions mandated for Training and Research every year in ten specialisations related to geospatial technology and its applications:

- 54h
- Satellite Image Analysis & Photogrammetry
 - GIS Technology & Advances
 - RS & GIS Applications in Agriculture & Soils
 - RS & GIS Applications in Coastal & Ocean Sciences
 - RS & GIS Applications in Forest Resources & Ecosystem Analysis
 - RS & GIS Applications in Geosciences
 - RS & GIS Applications in Urban & Regional Studies
 - RS & GIS Applications in Water Resources
 - Geocomputation and Visualization in Web Platforms
 - Natural Hazards and Disaster Risk Management

Every year, approximately 60 participants mainly from Universities/ Colleges/Training Institutes are getting trained at IIRS with an aim that they will incorporate RS & GIS in their curricula/ research. So far, IIRS has trained over 1100 faculty members/officials under this programme. This year the course will commence from May 11, 2020 to July 03, 2020. The last date for receiving the application form is March 13, 2020. The application form can be submitted at <https://admissions.iirs.gov.in/> and further details can be obtained at our website: <https://www.iirs.gov.in/nnrmssponsoredcourses>.

We request you to nominate faculty member(s)/officials to attend the NNRMS Certificate course interested to expand his/her expertise in any of the above disciplines.

With best regards,

(Prakash Chauhan)
