Subject:- Compliance of orders of the Government for maintaining social distancing in the University Buses.

Sir/Madam,

As you are aware the entire country including the State of Himachal Pradesh is under lockdown till 03.05.2020 in the wake of outbreak of Novel Coronavirus COVID-19. As per instructions of the Govt., besides other measures to be followed to contain the spread of COVID-19, social distancing is also to be maintained at all places including in the vehicles permitted to be plied by the concerned authority. In order to carry out the essential and emergent services including Agricultural Field Operations in the University, the SDM, Palampur has granted permission to ply two mini buses and one bus for transportation of the staff/ persons deployed for the said services. However, it has come to notice that the persons travelling in the buses are not maintaining the “Social Distancing” in the buses as per instructions/guidelines of the Govt. which is a matter of serious concern. You are, therefore, requested to ensure that all the staff/persons who are travelling in the University buses for attending the essential and emergent services including Agricultural Field Operations should maintain proper ‘Social Distancing’ in the buses. The Heads of Departments/Controlling Officers should put the essential duty staff on duty in such a way that there should be no rush in the buses while coming to duty and going back to their residences. In case any incidence of failure to maintain social distancing in the University Buses during the period of lockdown and curfew is noticed henceforth, the responsibility for non-compliance of norms/guidelines shall lie upon the concerned Head of Department/office and they will be liable to strict departmental action as per rules.

This issues with the approval of the Vice-Chancellor.

Yours faithfully,

Registrar,
CSK HPKV, Palampur.
