No. QSD.2-6/2020-CSKHPKV (GA)/- 2066-2145

Dated Palampur, the

CIRCULAR

10 JAN 2025

This is for the information of all concerned that due to continuous drought like situation, a sudden fall has been observed in discharge of bore wells of University area. Inhabitants in the University area are misusing the portable water for irrigation purpose by using loose PVC Pipes from their kitchen and toilet taps. Such type of misuse of water is creating unnecessary load on the pumping machinery due to extra pumping of water to fill the water storage tanks.

It is, therefore, enjoined upon all the concerned/residents to stop the practice of misusing the water and if anyone is found guilty, a strict action will be initiated against the defaulter.

All the Statutory Officers/HODs of Units/Offices/Scientist Incharge/Prog. Coordinators are requested to bring it to the notice of all employees (Teaching/Non-Teaching) working under their control for strict compliance.

This issues with the approval of competent authority.

Assistant Registrar (Admn.),
CSKHPKV, Palampur.

Endst. No. Even
