Subject: Guidelines on Public Self-Disclosure by Higher Education Institutions, 2024

आदरणीय महोदया/महोदय,

The National Education Policy (NEP) 2020 emphasizes transparent self-disclosure by Higher Education Institutions (HEIs). Public self-disclosure by HEIs, in fact, is one of the fundamental principles of the NEP. The NEP contemplates that HEIs shall be responsible and accountable to the stakeholders through transparent self-disclosure of all relevant records. The availability of information in the public domain is an important source of accountability.

Stakeholders in the higher education system, such as students, parents, research scholars, prospective students, regulatory bodies, accreditation agencies, alumni, and the public, desire to seek information from the websites of HEIs.

The Commission has considered the matter in its 580th meeting held on 15 May 2024 and approved the Guidelines on Public Self-Disclosure by Higher Education Institutions, 2024. A copy of the same is attached with this letter.

As per the Guidelines, all Higher Education Institutions are required to maintain a functional website to provide relevant information to stakeholders. The information disclosed on the website should be easily accessible to everyone without any need for registration or login. Additionally, there should be a 'Search' facility available for easy navigation.

The Higher Education Institutions are requested to take necessary measures to comply with the guidelines to ensure a fair and transparent system that will contribute to the growth of the Indian Higher Education system.
