4(1) (b) (xi) [The budget allocated to each of its agency, indicating the particulars of all plans, proposed expenditures and reports on disbursements made;](#)

The Government of Himachal Pradesh is the principal financing agency which meets 65-70 per cent of the total grant, under plan and non-plan schemes of the University. The grants are received from the Department of Agriculture, Animal Husbandry and Fisheries of the State Govt. apart from other agencies sponsoring schemes/projects from time to time. The Government of India, through ICAR, also provides grant and central assistance, quantum of which varies from year to year depending upon their assessment of our requirement for building, developmental activities and sanctioning of projects/schemes. About one third of the total grant of the University is met from the ICAR and other financing agencies. The grant-in-aid received from the State Govt. under Agriculture and Animal Husbandry (Plan/Non-Plan) and Fisheries (Plan) as well as various funding agencies, were utilized for carrying out teaching, research and extension education activities.
