## About the Organizers

- AGRIVISION is a non-profitable organization of Agricultural Scientists, Researchers and Agricultural Students sponsored by Akhil Bhartiya Vidyarthi Parishad (ABVP). The organization works on Scientific Agricultural Sector and aims to promote and disseminate information on environment friendly agricultural technologies, biodiversity conservation, natural resource management and natural farming. The organization intends to increase the livelihood opportunities for rural youth including students by making them aware of agriculture with national interest.
- The vision of AGRICULTURAL SCIENTISTS FORUM is to recognize, encourage, reward the Young Agricultural Scientists who have motive to pursue agricultural research as career and serve the country as well fellow citizens through their dedicated effort to bring up new innovations in the field of Agricultural Sciences and Technology. It's mission is to help the poor farmer to relish the dreams of being a part of Agricultural Science and Technology enhancement.
- CSK HIMACHAL PRADESH AGRICULTURAL UNIVERSITY, Palampur is the leading Hill Agricultural University of India with the mission to create a knowledge society on hill and mountain agriculture; to provide access to knowledge and skills in hill and mountain agriculture and to ensure wider recognition of university in hill and mountain agricultural education.

## About the Conference

Keeping in view the present scenario of agricultural production system, climate change and the challenges being faced by the farming community, the present conference is being organized with the prime objective of sensitizing the Scientists, Researchers, Students associated in the field of Agriculture, for doubling farmer's income with special reference to hill agriculture.
