2. All the Heads of the Departments/Units/Offices CSKJPKV, Palampur

Subject: Regarding non-payment internet connections and online remittance of internet subscription charges in the UNS account.

Sir,

This is brought to your kind notice that some of the departments of CSKHPKV, Palampur have not made the payments for the internet connections for the previous years.

Moreover, some departments are remitting the internet subscription charges directly into the bank account of UNS, without intimating the same in this office, which makes it difficult to identify the name of the depositor alongwith the bill no against which the amount has been deposited in the UNS bank account.

Therefore it is requested:

1. to make the previous outstanding payments of internet subscription to the UNS at the earliest (if any)
2. that if the payments have been deposited directly into the bank account of UNS, kindly intimate the UNS office about the same by submitting the proof of making such payments alongwith related bill no. and obtain receipt of the same from this office else the payments will stand unpaid in the records.

Yours faithfully
