Subject: Allocation of States to RABIs for operation of Innovation and Agri-entrepreneurship programme of RKVY, Govt of India- reg.

I am directed to refer to this department's email dated 19/01/2024, which issued the revised operational guidelines for the implementation of the Innovation and Agri-entrepreneurship Programme of RKVY for the period 2023-24 to 2025-26 to all KPs and RABIs. In the said revised guidelines, all RABIs were directed to select incubatees/startups who are residents of the state in which the RABIs are physically functional. The selected incubatees/startups shall set up their projects in the same state where the R-ABI is physically located. In this regard, a list of the states mapped with the concerned RABIs to operate the Innovation and Agri-entrepreneurship Programme of RKVY was also attached. The same list is again attached herewith for ready reference.

Upon examination, it has been observed that a few RABIs are not adhering to the said direction of the Ministry. This has been seriously reviewed. Accordingly, all RABIs are once again directed to follow the above directions in letter and spirit. If any RABIs have selected any incubators in violation of the above norms, they are directed to take immediate corrective measures under intimation to this Ministry.

This issues with the approval of Competent Authority.

Yours sincerely,

(Virendra Kumar Sharma)
Joint Director, RKVY
