

Research Project in Operation under RKVY

S. No	Title of the project	Name of the Principal Investigator	Duration	Budget (Rs.in Lakhs)	Funding Agency	Contact
COLLEGE OF AGRICULTURE						
DEPARTMENT OF ENTOMOLOGY						
1.	Technological Interventions for Protected Cultivation of Vegetable Crops in Himachal Pradesh Part-III	Dr.A.K.Sood	Sept. 2015 to <i>MAR.2017</i>	56.60	RKVY	Completed March, 2017
Department of Plant Pathology						
1.	Management Strategies for Yellow Rust of Wheat in Himachal Pradesh P-III	Dr. S.K. Rana/Dr. A.S. Gautam/Dr. Vijay Rana	Oct. 2015 to March 2017	43.40	RKVY	Completed March, 2017
Department of Organic Agriculture						
1.	Promotion of Organic Farming through development and popularization of Organic input responsive varieties of major pulses of HP using participatory plant breeding approach	Dr.(Mrs.) Neelam Bhardwaj,	Sept. 2016 to Sept. 2017	27.69	RKVY	
Dept. of Vegetable Science & Floriculture						
1.	Evaluation of Advance Breeding lines / Hybrids of important vegetable crops for cultivation under open environment	Dr. Akhilesh Sharma	Sept. 2016 to Sept. 2017	35.00	RKVY	
COVAS						
DEPARTMENT OF VETERINARY MICROBIOLOGY						
1.	Strengthening of Animal Disease Investigation Laboratory-II	Dr.Mandeep Sharma, Head	Jan.2015 to Mar. 2017	45.00	RKVY	
2.	Strengthening of Animal Disease Research Laboratory-III	Dr.Mandeep Sharma, Head	Sept. 2016 to September 2017	64.00	RKVY	
3.	Development of Phage Vocktail for treatment of Bovine Mastitis	Dr.Subhash Verma, Assoc. Prof.	Sept./ 2016 to September 2017	19.50	RKVY	
DEPARTMENT OF VETY. GYNAECOLOGY & OBSTETRICS						
1.	Management of bovine infertility through improved scientific interventions	Dr.Madhumeet Singh	One year Jan. 2015 to March 2017	40.00	RKVY	Completed March 2017
2.	Managing Infertility in Dairy Animals of Himachal Pradesh: Comp-I -Investigation and management of repeat breeding in bovines of Himachal Pradesh with special reference to clinical and Sub-clinical uterine infections and functional causes. Comp-II :Diagnosis and treatment of infertility in livestock through clinical camps in different parts of Himachal Pradesh	Dr.Madhumeet Singh, Professor	One year Sept. 2016 to Sept. 2017	55.00	RKVY	

DEPARTMENT OF VETY. SURGERY AND RADIOLOGY						
1.	Strengthening veterinary clinical services for treating referral animal patients suffering from tumours, dental and musculoskeletal disorders: Comp-I: Strengthening the clinical armamentarium for treating referral, animal patients suffering from tumors and dental disorders Comp-II: Establishment of advanced veterinary orthopedic management system for animals	Dr.Adrash Kumar. Vety. Surgery – Compnent-_I and Dr.S.P, Tyagi – Compnent-II	Oct. 2015 to June, 2017	<u>52.90</u>	RKVY	
DEPARTMENT OF ANIMAL NUTRITION						
1.	Studies on the use of apple pomace as livestock feed ingredient	Dr.Daisy Rani	Sept. 2015 to March 2017	20.14	RKVY	Completed March 2017
2.	Pilot study of factors affecting milk quality parameters lowering economic returns in dairy cows and its remedial measures	Dr.Shivani Katoch, Assoc. Professor	Sept. 2016 to Sept. 2017	89.94	RKVY	
OUTSTATIONS						
1.	Management Strategies for Yellow Rust and Powdery Milder of Wheat in H.P.	Dr.(Mrs.) Vijay Rana, Sr. Scientist, Rice & Wheat Research Centre, Malan	Sept. 2016 to Sept.2017	35.00	RKVY
