Sub: To provide support for common facilities out of Revolving Fund Scheme.

Sir,

As you are aware that the income being generated in the University from the sale of farm produce and for rendering services etc. is deposited in the Revolving Fund Schemes operated by various Units. As a result of this arrangement, it is difficult for the University to achieve the target of domestic income set by the State Govt. The State Govt. is providing grant -in-aid only to meet the salary & wages components and all other inevitable expenditure is stressed to meet out of internal resources. The position of the Revolving Fund Account in operation in your Deptt./Unit has been placed before the Hon'ble Vice-Chancellor who has ordered to deposit the 50% of the income earned during the year 2021-22 alongwith the interest accrued within 15 days.

Yours faithfully,

Dy.Registrar(Bud)
CSKHPKV, Palampur.
