Dear Vice Chancellor/Director,

Greetings from the Association of Indian Universities (AIU)!

World Environment Day is an annual global event celebrated on June 5th to raise awareness and inspire action for protecting and preserving our environment. It serves as a platform for individuals, communities, and organizations to come together and address pressing environmental challenges, promoting sustainable practices and a more harmonious relationship with nature. This significant day provides an opportunity to reflect on our impact on the planet and take proactive steps towards creating a greener and healthier future for generations to come.

It gives me immense pleasure to share that the Association of Indian Universities (AIU) has collaborated with Delhi State Legal Services Authority in organizing an environment legal literacy programme on "E-Waste Management" on the occasion of World Environment Day on 5th June, 2023 at 3.00 PM onwards which shall be streamed live on the following link:
