Subject: Recruitment Opportunity for Horticulturist/Farm Manager - Regarding

Dear Sir,

I am reaching out on behalf of The Plant Doctor. The Plant Doctor was established in 2016 with a mission to excel in the management of greens, marketing and trading of agricultural produce, export-import activities, and skill development in agriculture.

We are looking to hire talented candidates for the post of **Horticulturist/Farm Manager**, considering their strong academic background in the B.Sc. Horticulture / M.Sc. Horticulture (**Floriculture/Olericulture/Pomology/Landscaping**) from your college and their skills/knowledge in the field of farming & processing of vegetables/fruits/flowers/landscaping, etc.

We would like to explore opportunities for placement through direct interviews. Suitable students/candidates may please be advised to visit our website <https://www.theplantdoctor.org/careers> (career-> advertisement-> format under download).

We would be thankful if you could recommend suitable candidates who are in search of appropriate placement opportunities.

Looking forward to your response.

Best regards,

Yours sincerely,

(B K Srivastava)
