Model Training Course

on

"Innovative Entrepreneurial Approaches

in

Hill Farming Systems for Doubling Farmer's Income"

24th September to 1st October, 2019

Organised by :

Department of Veterinary & AH Extension Education

in collaboration with

Directorate of Extension Education

CSK, Himachal Pradesh Krishi Vishvavidyalaya

Palampur, H.P. India

Sponsored by

Ministry of Agriculture & Farmers Welfare,

Government of India

About the Course

Agri-entrepreneurship has the potential for sustainable agricultural growth and is a step in doubling the farmers income. This means agriculture has to be seen as agribusiness and every farmer as potential entrepreneur. However, small scale farmers in India face various challenges for taking agriculture as entrepreneurial venture. They need entrepreneurial assistance from extension personnel and supporting institutions. Moreover, the role of extension functionaries has also shifted towards market driven extension & entrepreneurship. The model training course emphasis on entrepreneurial orientation, group entrepreneurship, farmer producer organizations, case studies of successful enterprises & innovations to promote entrepreneurship in Hill Farming Systems.

COURSE DURATION

The course duration is for eight days from 24th September to 1st October, 2019. Out-station participants are requested to arrive latest by the evening of September 23, 2019 and can leave after 18:00 hrs on October 1st 2019.

Eligibility

Candidates serving in the State Development Departments, Extension officers of the State, SMS/ Assistant Professor/Scientists and above or equivalent in the National Agriculture Research System (NARS) including the State Agriculture Universities, Krishi Vigyan Kendra, extension functionaries of the state, Agriculture and Allied Science, Faculties of other universities.
