Remote Access" on November 12, 2024.**

Sir/Madam,

I have the honour to inform you that this Library is going to organize one day "Awareness Session on Plagiarism Detection and Remote Access" on November 12, 2024 for updating the knowledge of faculty and students of this University. The Hon'ble Vice Chancellor has desired that this programme be organized in two separate sessions one for the faculty while the other exclusively for the students as per schedule which shall be circulated separately. You are, therefore, requested to grace this occasion with your benign presence along with all the faculty members of your College/Department in the morning session and also direct the PG (M.Sc., M.V.Sc.) & Ph.D. students of your College/Department to attend the same in the afternoon session. The faculty members of the constituent colleges are also to be sensitized about remote access software for their log-in credentials.

Thanking you,

Yours faithfully,
