Subject: Regarding the access of print Journals through online link

Sir/Madam,

It is submitted that this Library has discontinued the purchase of printed journals as per list enclosed due to insufficient funds in the Library as the ICAR is not providing adequate funds for the purchase of printed journals. Therefore, it has been decided that those journals available on the internet are open and free of cost may be used by the students and faculty as and when required. The online links are available in the website of University Library.

You are, therefore, requested to kindly inform all the students and faculty of your College(s) in this regard.

Thanking you,

Encl: As above

Yours faithfully,

Librarian
