Subject: NAAS Announces "Smt. Kanak Aggarwal NAAS Girl Students Scholarship Program 2024-25"

Dear Dr. Vatsa,

Greetings from the National Academy of Agricultural Sciences, New Delhi!

The National Academy of Agricultural Sciences (NAAS) is pleased to announce a scholarship named as "Smt. Kanak Aggarwal NAAS Girl Student Scholarship" program for the meritorious girl students pursuing agriculture courses at the undergraduate level in the agricultural universities including the CAUs/DUs from the academic session 2024-25. The scholarship shall cover students from First to Fourth years at the rate of 21 scholarships per class with a total of 84 scholarships per year. The scholarship amount will be Rs. 3000/- per student per month. The students will be selected on pan India basis for which a Performa has been prepared by the Academy.

In order to extend the benefit of the scholarship to the meritorious girl students across the country, the Academy would like to request you to kindly nominate the names of suitable girl students (maximum 3 per class) to the academy please. For the nomination of first year students, a Performa is attached. For the nomination of students from 2nd to 4th years, the Grade Point Average obtained in each class preferably with the original admission marks in first year may kindly be considered.

The Key highlights of the Scholarship:

- The scholarship is open to girl students from first to fourth year, with 21 scholarships available per batch, totalling 84 scholarships.
- Each selected student will receive a scholarship amount of Rs. 3000 per month.
- The scholarship amount will be disbursed on a quarterly basis, starting from the upcoming session in July/August 2024.
- Continuity of the scholarship is subject to uniformly good academic records. It may be discontinued in the event of student's discontinuation of studies or failure to clear examinations.
- Students already receiving scholarships from other sources shall not be eligible for this scholarship. A declaration on this will be necessary.

The Academy would further like to request you to kindly send your valued recommendations immediately after your first year student selection and admission to subsequent classes are over.

We thank you for your kind and timely support in this endeavour.

With kind regards,

Yours sincerely,

(W.S. Lakra)
